

# The Lighthouse

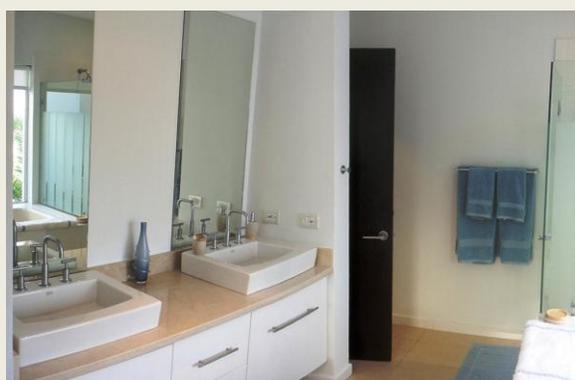

The Lighthouse is nothing short of a stunning modern masterpiece designed to capture the sun's glistening rays and the surrounding beauty of the gulf of Papagayo. Spacious, open and accommodating with plenty of private outdoor space for all to enjoy. Spectacular walls of glass showcase the tropical wonder of the Gulf of Papagayo of this newly renovated beauty. All rooms of this 4-bedroom (sleeps 8), 4-bath home are air-conditioned. Two of the bathrooms feature jacuzzi tubs. Situated on the side of a mountain, high above Playa Hermosa, overlooking the Pacific Ocean, this 4,000 square-foot architectural marvel features a unique design and flow that allows the light and ocean breezes to easily permeate throughout the home.

The home is located in the gated, guarded community of Monte Paraiso in Guanacaste, one of the country's most beautiful areas. The house is walking distance to the beach (about 1 km), however, the walk back requires stamina up the steep hill into the development. This house is secluded, yet close to all local amenities and services in Playa Hermosa and Coco. A free-standing staircase leads from the main living area on the ground level to the second floor, which houses two master king bedrooms.

While relaxing in the living room, you will enjoy spectacular panoramic views through the glass walls. The kitchen is large, open and spacious, perfect for entertaining or gastronomic feasts. Kitchen includes a dishwasher, microwave, icemaker and appliances such as blender. The edge of the infinity pool merges with the ocean's horizon. A spacious and very private deck with lounge chairs surrounds the pool, where you can soak up the abundant Costa Rican sunshine. Perfect for spending time in the beauty of Costa Rica's outdoors. Other amenities include flat screen TV's, cable, Internet, surround sound speaker system, video library, washer/dryer, parking, security system, outdoor shower and privacy! 4,000 sq ft and fully furnished. Twenty minutes to the Liberia International Airport, ten minutes to the new CIMA Hospital, 5 minutes to grocery shopping and the beach.
